

Let Your Light Shine.....

VISION

To be a beacon of academic excellence in the field of higher education, empowering students to shine through innovation, integrity, and inclusivity, and illuminate a path towards a brighter future.

“Empowering minds, illuminating futures”

Let Your Light Shine before men, that they may see your good deeds and glorify your Father in heaven.

Mathews - Chapter 5 Verse 16

MISSION STATEMENT

- ❖ **Academic Excellence:** To provide a rigorous, research-led environment that challenges students to achieve the highest standards of intellectual and professional proficiency.
- ❖ **Holistic Development:** To nurture well-rounded individuals by integrating ethical values, emotional intelligence, and leadership skills into the core academic curriculum.
- ❖ **Innovation & Research:** To foster a culture of inquiry and creativity, encouraging students and faculty to engage in groundbreaking research that addresses global challenges.
- ❖ **Inclusive Empowerment:** To ensure equitable access to quality education, empowering students from diverse backgrounds to break barriers and reach their full potential.
- ❖ **Industry Integration:** To bridge the gap between theory and practice through strategic partnerships, ensuring our graduates are “future-ready” and globally competitive.
- ❖ **Social Responsibility:** To instill a sense of civic duty and environmental stewardship, preparing students to contribute meaningfully to the betterment of society.

TO THE GUIDING LIGHT OF WILSONIA

Mrs. Shirin Santram
(1946-2021)

Mrs. Shirin Santram was a respected and honoured Educationist of Moradabad, U.P. She dedicated her life to the cause of teaching. The city of Moradabad and decades of students have been enlightened by her and enthused with her zest and zeal for learning.

She was the axis on which the Group grew through the years, generations of Wilsonians cherish her memories. She was the very life of every Institution; her passing has left an immense void that can never be filled.

Yet Wilsonia resolutely continues in its service of imparting education to all who enter the College's revered portals. With the blessings and with the eternal guidance of 'Director Ma'am'.

Mrs. Shirin Santram passed away on 12th December 2021. But her memories and her indelible mark on the whole Group and the City will live on forever.

DIRECTOR'S MESSAGE

Welcome to Wilsonia Group, thank you for showing your interest in 'Life at Wilsonia' the wonderful, beautiful journey that we undertake every day, filled with the ever-blooming radiance of young children whom we see growing into imposing young men and women whom we are so proud of. Young adults who we see as they transition from School students to college graduates.

I hope you can visualize the efforts that the faculty puts in to nurture each child and guide them down the path to brilliance. Because that is what we hope and pray that each Wilsonian shall have. The brilliance of the Sun itself.

Along with being intelligent young men and women, we hope every Wilsonian shall also have the confidence that is unparalleled. Because every student has his or her own spark, we realize this and try to kindle them, in their own way, to make each student shine, in their own corner. We hope that each Wilsonian will add to the brightness of the world.

All the best to every Wilsonian past, present or future, love and blessings are with all of you with a prayer that says

**'Let your light shine
oh you young friends of mine, That dreams,
you dreamt, will all one day be thine.'**

Dr. Asheesh Santram

Director

Wilsonia Group of Educational Institutions

Dr. Lajmeet Kaur

Principal's Message

It is my pleasure to welcome you to Wilsonia Degree College a premier institution of higher learning dedicated to academic excellence, innovation, and character development.

As we strive to provide a nurturing environment that fosters intellectual growth, creativity, and critical thinking, our college offers a wide range of programs and activities designed to help students reach their full potential.

Our faculty and staff are committed to providing a supportive and inclusive learning environment that encourages students to explore their interests, develop their skills, and achieve their goals.

This prospectus provides an overview of our college's programs, policies, and activities. I encourage you to explore what we offer and discover how Wilsonia Degree College can help you achieve your academic and professional aspirations.

I wish you all the best in your academic journey.

Dr. Lajmeet Kaur

Principal

(B.Ed., M.Ed., M.A. (Economics, History), UGC NET
(Education), Ph.D. (Education, History))

Foreword by Administrative Head

Greetings, it is my privilege to welcome you to Wilsonia Degree College.

This is a new stage in every student's life. One where they make the transition from young boys and girls to young men and women. The learnings and memories they make in these few years will be spoken about by them for their entire lifetime. Therefore, it is essential to pick the correct institution for their higher education.

At Wilsonia Degree College we do not only prioritize academics, but we hope to facilitate the all-round development of the students. Taking words from our Mission Statement, we hope to make our students 'the Best Versions of Themselves'. Be it extra-curriculars or real-world experience we provide it all. Our experienced faculty is dedicated to ensuring the success of your child.

I wish you and your child the best, make the most of this wonderful opportunity that you have been given.

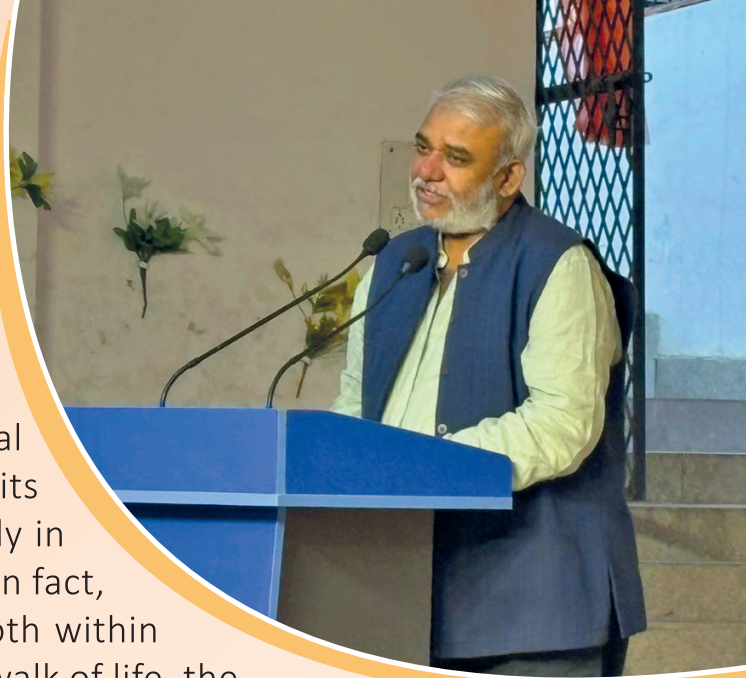

–Avish Shimon Revis
Administration Head

"Education is the most powerful weapon which you can use to change the world."

- Nelson Mandela

WILSONIA THE GROUP

Wilsonia is a reputed group of educational institutions, which has, in the Six decades since its inception, established a name for itself not only in Moradabad, but also in the whole state of U.P. In fact, with its alumni now being at high positions both within the country and abroad in every distinguished walk of life, the name of Wilsonia is now well known throughout India and abroad.

The Wilsonia Group was founded in 1966 by Mrs. and Rev. H.R.Wilson, two lustrous figures in the field of education. The first school was founded as a primary school in their home, (The word Wilsonia itself means 'The House of Wilsons'). It was from this humble beginning that the Group has continued to grow, mainly by the efforts of the Director, Mrs. A.S. Santram who has been pivotal to the Group's Development since 1977. Wilsonia now comprises of two Schools. First Wilsonia College, affiliated to the I.S.C Examinations, and the Second, Wilsonia Scholars Home, affiliated to the C.B.S.E Board, and a Degree College. Spread across the length and breadth of the city with a strength of more than 4000 students. At the Degree College Level is Wilsonia Degree College offering the Bachelor Degree in Commerce, Science and Business Administration and Masters in Commerce, Social Work and Science (Chemistry). The phenomenal growth of the group is proof of its commitment to provide quality education to all, irrespective of caste, creed and religion.

WILSONIA DEGREE COLLEGE

The College

As part of the Group's ongoing commitment to provide the best education possible, Wilsonia saw the need to provide quality education at the graduate level where the medium of teaching would be English. The city has some very good colleges but most of them concentrate on Hindi Medium of education. Not all students with English school background can migrate to the colleges in other cities because of various pressures. So, to provide both young men and women of Moradabad a better college experience, in an atmosphere conducive to the proper development of students, was the aim of starting Wilsonia Degree College.

Focus of Education

Wilsonia Degree College has the unique status of being the only completely English Medium College in Western U.P. Besides this, the College is very fastidious regarding issues of discipline and values which puts W.D.C. in a very elitist bracket of Colleges. To build in the young adults who come through these portals values for a better life is the mainstay of this College. With this in mind a morning Assembly is conducted every day which is a time of fellowship as well as a means of meeting of the Management, Staff and Students. This practice does build a feeling of brotherhood and a family like atmosphere within the College.

Regular classes are conducted and the University's requirement of minimum of 75% attendance of lectures is strictly adhered to. Besides this WDC also aims at bringing about an overall development in each student. There are immense opportunities to participate in a load of co-curricular activities and events throughout the session, such participation helps in building a strong character of the student, helping the student become more self-confident as well as be appreciative of others in true fraternal spirit.

The University

Guru Jambheshwar University (GJU), Moradabad, is a State (Public) University established in Moradabad, Uttar Pradesh, named after the founder of the Bishnoi community. The university serves as an affiliating body for over 350 colleges across the Moradabad Division and aims to provide quality education, promote research, and foster innovation. It received recognition from the UGC under section 2(f) for degree recognition and section 12(B) to be eligible for central assistance, making it a legitimate university for offering higher education and receiving grants, a standard practice for state universities under the UGC Act, 1956, in March 2025 and has launched the Samarth e-Governance Admission Portal for the 2025-26 academic year to streamline the application process.

**TO MAKE THE STUDENT A BETTER PERSON IS THE FOCUS OF EDUCATION AT WILSONIA DEGREE COLLEGE.
TO BE "THE BEST VERSION OF THEMSELVES" IS THE GROUP'S MISSION**

ABOUT THE CAMPUS

The Degree College is located in Ashiana, a posh locality of Moradabad. The campus is a sprawling 30 Bighas. Nestled in the lap of nature on the banks of the River Ramganga, with the green field spread out as far as the eye can see. Such a setting makes education and learning a pleasant and rewarding experience.

With such an ambience it is only natural that the creative side of the student finds inspiration as well as a thirst for innovative growth.

In order to make learning more exciting for all students, a whole lot of Educational and Recreational facilities are available on the campus itself. These facilities include:-

- Computer Centre
- Consultancy and Counseling cell
- Library
- Sports Centre (with facilities like volley ball, badminton, table tennis and tennis courts)
- Resource Centre
- Cricket / Football field
- College Café
- Auditorium
- Film and Projector Room
- Well Equipped Science Laboratories

COURSES OFFERED

B.Com. (Bachelor of Commerce)

The Foundation of Business Intelligence

Step into the world of finance and trade. Our B.Com. program is designed to turn students into financial architects, mastering everything from fundamental bookkeeping to complex corporate tax laws. It is the perfect launchpad for those aiming for professional certifications like CA, ACCA, or MBA.

BBA (Bachelor of Business Administration)

Nurturing the CEOs of Tomorrow

BBA is more than a degree—it's a leadership bootcamp. We focus on developing "soft skills" alongside "hard strategy." From understanding consumer behavior to managing human capital, this course prepares you to take charge of the corporate boardroom or launch your own startup.

B.Sc. (Bachelor of Science)

Specialized Science Streams

B.Sc. PCM (Physics, Chemistry, Mathematics)

The Architecture of the Physical World

B.Sc. PCM is the ultimate course for those who love logic, equations, and the fundamental laws of nature. By combining the analytical power of Mathematics with the experimental nature of Physics and Chemistry, students learn to decode the physical universe. This stream is a powerhouse for those looking to enter the worlds of technology, data science, and space research.

- **Physics:** Study mechanics, electromagnetism, and quantum theory.
- **Chemistry:** Master atomic structures and chemical thermodynamics.
- **Mathematics:** Develop advanced calculus and algebraic reasoning.
- **Future Paths:** Engineering entrance, Defense services, Data Analytics, and Theoretical Research.

B.Sc. ZBC (Zoology, Botany, Chemistry)

The Science of Life and Matter

The ZBC track is designed for students who are passionate about the living world. By studying Zoology (animal life), Botany (plant life), and Chemistry (the molecular basis of life), you gain a 360-degree view of the biological kingdom. This course is the traditional stepping stone for those aiming for careers in medicine, environmental conservation, and the burgeoning biotech industry.

- **Zoology:** Explore animal physiology, genetics, and evolution.
- **Botany:** Understand plant anatomy, ecology, and agricultural science.
- **Chemistry:** Learn the organic and inorganic reactions that sustain life.
- **Future Paths:** Healthcare, Environmental Science, Forestry, and Pharmaceutical Research.

M.Com. (Master of Commerce)

Advanced Expertise in Global Markets

Elevate your financial acumen. M.Com. offers a deep dive into statistical analysis, advanced accounting, and economic policy. This course is tailored for individuals looking to lead in academia, research, or top-tier financial consultancy roles.

M.Sc. (Master of Science – Chemistry)

Mastering Molecular Innovation

A high-level program for future scientists. M.Sc. Chemistry focuses on research, organic synthesis, and analytical techniques. It bridges the gap between the classroom and the high-tech laboratories of the pharmaceutical and manufacturing industries.

MSW (Master in Social Work)

Lead the Change, Serve the World

Master's Degree in Social Work (MSW) is designed to teach, train and prepare human power with scientific temper, professional acumen, democratic attitude and secular values to manage social work agencies and run social welfare in the country. The goal is to prepare appropriate, professionally trained social workers for the new socio-economic milieu in the country. The main objective of the course is to train young men and women in the methods of social work. Social case work, social group work, community work, social action, social policy, planning and administration, social work, research and social welfare management. It is aimed to give intensive field work training through 'Open Field Work', Agency based field work, rural/tribal/urban camps and study tours. The goal of this study programme is to train persons who could professionally manage community development family and child welfare and work in medical and psychiatric settings, correctional administration apart from being specialists in social policy formulation, social work management and social work research.

CO-CURRICULAR ACTIVITIES

Key Details

There are a lot of societies/voluntary work that students are involved with in addition to the curriculum. This gives them an opportunity to better their inherent talents and also to enhance their overall personality.

CULTURAL

SPORTS

FRESHER'S WELCOME

INDEPENDENCE DAY

COMPETITIONS

ENVIRONMENT ACTIVITIES

ROAD SAFETY

SEMINARS

Such Activities enrich the college experience and teaches students how to take on responsibilities and also improves their organizational skills and initiates an exuberance in them to excel.

ORIENTATION

“Every great journey begins with a single step and today, that step is yours”

Before the commencement of new Academic semester of the year, the college organizes an Orientation Programme. The orientation serves as a guiding **platform** where students are introduced to the **ethos, values and academic culture** of the institution. The programme begins with a prayer, followed by inspiring words from the Principal. A brief introduction of the faculty members and management is an integral part of the orientation. To help students feel comfortable within the campus, a college walk is conducted which is known as **“College Darshan”**.

Additional features and activities may also be included, depending upon the vision and initiatives of the Holistic education system. Orientation becomes the event when the foundation of your college life at Wilsonia is laid.

ATTENDANCE

The University lays down that a minimum of 75% attendance in all lectures is compulsory to appear In the University Examination. The college functions 6 days a week. A proper timetable of lectures is followed and adhered to.

Internal Assessment Examinations are conducted twice in a year, before the University Examination. This provides the students an incite of how exams are conducted and becomes a trial run before the Examinations.

A fine is charged for absence in examinations. In case of very pressing circumstances, prior permission through a formal application may be sought. It is, however, the management’s discretion to entertain such an application.

DISCIPLINE

- Students are expected to maintain discipline, punctuality, and decorum within the college campus at all times. Once students enter the campus during working hours, they are required to remain present for all scheduled academic activities.
- Leaving the campus during college hours is strictly prohibited without obtaining prior formal permission from the Principal or Dean. Students must adhere to all the institutional rules and guidelines framed for maintaining a conducive academic environment.
- Any violation of the Code of Conduct may invite disciplinary action as per the norms laid down by the institution and the University from time to time. For maintaining discipline in college, a proper Proctorial Board is formed.
- A complete list of Rules and Regulations is given to every student at the time of Admission and the student has to sign an undertaking to abide by these rules while in college. Rudeness with Staff and Management is intolerable and must be avoided at all costs.

ADMISSION PROCEDURE

GJU Admission Process

- Apply online on the official website of Guru Jambheshwar University
- Pay the application fee before submitting the form.

ADMISSION PROCEDURE

Candidates have to qualify for the minimum eligibility criteria to apply for any of the UG & PG courses.

Eligibility:

Undergraduate & Post Graduate Courses

S.No.	Programme	Duration	Eligibility Criteria	Admission Criteria
1)	B.Sc. (Biology Group)	6 Semester (3 Years)	Senior Secondary School with Physics, Chemistry and Biology	Merit List by the College (As per University Rule)
2)	B.Sc. (Maths Group)	6 Semester (3 Years)	Senior Secondary School with Physics, Chemistry and Mathematics	Merit List by the College (As per University Rule)
3)	B.Com.	6 Semester (3 Years)	Senior Secondary School in any discipline except Agriculture	Merit List by the College (As per University Rule)
4)	B.B.A. (CBCS)	6 Semester (3 Years)	Senior Secondary School in any Stream with Minimum 45% Marks for Gen. & OBC, Minimum 40% Marks for SC & ST	Merit List by the College (As per University Rule)

S.No.	Programme	Duration	Eligibility Criteria	Admission Criteria
5)	M.Com.	4 Semester (2 Years)	Bachelor's Degree in Relevant Subject with minimum 45% for General, OBC and 40% marks for SC/ST	Merit List by the College (As per University Rule)
6)	M.Sc.	4 Semester (2 Years)	Bachelor's Degree in Relevant Subject with minimum 45% for General, OBC and 40% marks for SC/ST	Merit List by the College (As per University Rule)
7)	MSW	4 Semester (2 Years)	Bachelor's Degree in Relevant Subject with minimum 45% for General, OBC and 40% marks for SC/ST	Merit List by the College (As per University Rule)

- At the time of registration the candidates will be required to submit all credentials along with the registration form. On the basis of these credentials, candidates will be shortlisted for the interview.
- The candidates who successfully clears the interview will be offered admission and will be allowed a week to complete all admission formalities.
- A selected candidate must agree to adhere to the Rules and Regulations of the College by signing an acceptance certificate.

Important Note

- 1- Students cannot change courses once enrolled. That is once they have been offered admission to a particular course.
- 2- Students must submit Admission Form with all papers; only then will the College Identity Card be issued and will students be allowed to attend classes.
- 3- Late fine will be charged if fees is paid after due date. Also, late fine will be charged for Library books not returned or re-issued on time.
- 4- All fees are non-transferable and non-refundable.

Fee Discount:

Discount for Wilsonians

FACULTY

Dr. Bhavna Sharma
Dean

The word Education and Knowledge are the two different branches cropped from one root of academics, yet ironically one is attainable and the other isn't. The exact metaphor is applicable for Employment and Employability, though both of them begins from social need but in the present context of time they have their own conceptual differences. Employment gives the essence of getting what the industry is providing us while employability is what we can provide the industry.

Dr. Sanjay Agarwal
Head of Science Department

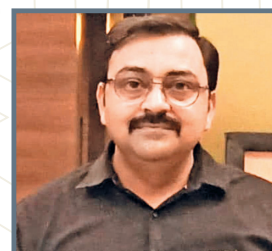

As Head of Science, I lead a department dedicated to curiosity, innovation, and discovery. Our mission is to spark scientific temper and critical thinking, equipping students with the skills to solve real-world challenges. With modern labs, passionate faculty, and a spirit of inquiry, we prepare learners to become innovators and leaders in the global scientific community.

Dr. Sarika Khanna
Head of Business Management

It gives me great pleasure to welcome you to the Department of Business Management. Our department is committed to academic excellence, innovation, and the holistic development of students. We aim to equip our learners with strong managerial skills, ethical values, and a global outlook to meet the challenges of the ever-changing business world.

Dr. Ravindra Singh Chauhan
Head of Commerce Department

Quality education shapes individuals & society. It's about applying knowledge, overcoming obstacles, and growing. This breeds critical thinkers who can make a real impact.

Dr. Rajesh Kumar Bhardwaj
Chief Examination Controller

As the Chief Examination Controller, my vision is to transform examinations from stress-driven evaluations into learning-oriented, transparent, and student-centric processes aligned with the demands of modern education.

ANTI RAGGING POLICY

RAGGING IS A PUNISHABLE OFFENCE AS PER LAW - RESULTING IN IMPRISONMENT AND / OR HEAVY PENALTY

Ragging means causing physical and / or mental trauma to a person as a result of physical abuse, manhandling, using abusive language or gestures or forcing to perform acts that may cause physical/ mental damage.

Ragging is a social, cultural and psychological menace.

Students are urged not to indulge in any activity within or outside the campus

that may be construed as or amounts to ragging.

Any student, if found involved in any such activity directly or indirectly shall not only be expelled from the institution, but the matter will be reported to Police/ Legal authorities, for further necessary action.

The UGC Regulations on Curbing the Menace of Ragging in Higher Educational Institutions - 2009, were formulated in exercise of the powers conferred by Section 26(1)(g) of the UGC Act, 1956. ANY ACT OF RAGGING IS PUNISHABLE UNDER INDIAN PENAL CODE -IPC 294,323,326,339,342,506

PLACEMENT CELL AND CAREER GUIDANCE CELL

The Career Guidance Cell at Wilsonia Degree College functions under the direct control and directions of the Principal. A team of Professors nominated by the Principal, work together to guide the students on Career opportunities. The objective of the cell is to identify the talents available among the students of the College and nurture and harness them further and offer guidance to choose a bright and right career.

The activities of the cell include collecting the database of the students and compiling them for use when needed. The cell facilitates the students to improve their skills to face various competitive exams such as civil service exams conducted by UPSC and TNPSC. The Career Guidance Cell organizes seminars and meetings to encourage the students to plan their future. Above all, the main function of the cell is to invite reputed companies to the campus to conduct campus interviews and find suitable jobs for the skills available among the students.

The cell also facilitates the economically weaker sections of the students of first and second year undergraduate courses to find suitable part time jobs to supplement the family income without affecting the academic pursuit.
